

APPROVED FIRST AID, EMERGENCY ASTHMA AND ANAPHYLAXIS MANAGEMENT QUALIFICATIONS

The qualifications on this list have been approved by ACECQA for the purposes of the Education and Care Services National Law, and published in accordance with regulation 137(1)(e) of the Education and Care Services National Regulations.

When choosing a course from this list, it is important to ensure that any pre-requisite requirements needed for that course have been met. **You may also want to check whether a more recent version of the course you wish to do has become available.** For further information click on the relevant **hyperlinked course code** in this list which will take you to detailed course information on www.training.gov.au.

www.training.gov.au provides other generally useful information about nationally endorsed training.

First aid, emergency asthma and anaphylaxis management training must all be updated at least every three years from the date of completion.

First aid certificates may specify additional requirements to keep it valid. For example, if your first aid certificate requires the CPR component to be completed every 12 months to keep it current, you will need to comply.
